

# BEVERAGE MENU

NOBU Caesars Palace

## Nobu's Sake Selection

The Hokusetsu Brewery on Sado Island in the Sea of Japan has been operated by the Hazu family since 1871. The name Hokusetsu, or "Northern Snow," was chosen to reflect the ideal sake brewing conditions on the island during the coldest days of winter.

Chef Nobu first experienced Hokusetsu sake in 1987 when his Japanese rock-musician friend brought a bottle to the original Matsuhisa restaurant in Beverly Hills. Impressed by the quality, Nobu obtained exclusive rights to sell Hokusetsu sake in the United States.

**We are proud to exclusively serve these premium Hokusetsu sake.**

### **Junmai Daiginjo TK40 Genshu Enshinbunri 'Hikari'**

*Bottle 24 oz \$670*

This rare hybrid rice grain, Koshitanrei, is polished to 40% of its original size to produce this award-winning sake. Elegant floral flavors of Orange Blossom, Elderflower, and White Tea are found in this powerful Genshu, or undiluted sake.

### **Daiginjo YK35 Shizuku**

*Bottle 24 oz \$480*

This premium sake is made from the best rice in the world, Yamada Nishiki. Each rice grain is polished to 35% of its original size, and a slow drip procedure is used to produce this flavorful and delicate sake.

### **Daiginjo YK35 Enshinbunri**

*Bottle 24 oz \$550*

*Bottle 50 oz \$1050*

This sake is made from Yamada Nishiki polished to 35% of its original size. It is extracted with a centrifuge, creating a full bodied, fruit forward flavor. This is the evolution of modern sake at its finest.

### **Daiginjo YK35 Shizuku Jukusei Koshu**

*Bottle 60 oz \$3,000*

This is the YK35 Shizuku after it has been aged for three years. The aging process has added structure to the delicate Nashi Pear flavor becoming highly complex with a deep richness not found in young sake. This is made in extremely limited quantities.

## Hokusetsu SAKE

### Ginjo NIGORI

Unfiltered, dry and creamy

Glass \$18                      Bottle 16 oz.                      \$70
