Nobu's Sake Selection

The Hokusetsu Brewery on Sado Island in the Sea of Japan has been operated by the Hazu family since 1871. The name Hokusetsu, or "Northern Snow," was chosen to reflect the ideal sake brewing conditions on the island during the coldest days of winter.

Chef Nobu first experienced Hokusetsu sake in 1987 when his Japanese rock-musician friend brought a bottle to the original Matsuhisa restaurant in Beverly Hills. Impressed by the quality, Nobu obtained exclusive rights to sell Hokusetsu sake in the United States.

We are proud to exclusively serve these premium Hokusetsu sake.

Junmai Daiginj o TK40 Genshu Enshinbunri 'Hikari'

This rare hybrid rice grain, Koshitanrei, is polished to 40% of its original size to produce this award-winning sake. Elegant floral flavors of Orange Blossom, Elderflower, and White Tea are found in this powerful Genshu, or undiluted sake.

Daiginj o YK35 Shizuku

This premium sake is made from the best rice in the world, Yamada Nishiki. Each rice grain is polished to 35% of its original size, and a slow drip procedure is used to produce this flavorful and delicate sake.

Daiginj o YK35 Enshinbunri

This sake is made from Yamada Nishiki polished to 35% of its original size. It is extracted with a centrifuge, creating a full bodied, fruit forward flavor. This is the evolution of modern sake at its finest.

Daiginj o YK35 Shizuku Jukusei Koshu

This is the YK35 Shizuku after it has been aged for three years. The aging process has added structure to the delicate Nashi Pear flavor becoming highly complex with a deep richness not found in young sake. This is made in extremely limited quantities.

Hokusetu Sake

Made Exclusively for Nobu

Ginj o Nigori

Unfiltered, dry and creamy

Junmai 'Sado No Shu'

Medium-bodied with rich notes and a creamy finish

Honj ozo Onigoroshi 'Devil Killer'

Light bodied, crisp and dry with a spicy finish
